

Model United Nations of Munich

4th – 7th November 2008

European School Munich – Elise-Aulinger-Str. 21 – D 81739 Munich

Munich, 8th September 2008

Dear Parents or Guardians,

As the Model United Nations of Munich Conference has grown, it has become of interest to many national and international schools from abroad. For many of these students, coming to Munich does not simply mean attending the conference, but also experiencing the spirit and tradition of the city. The best possible way of providing our guests with an insight into local history, language and culture is to enable them to stay at a welcoming host family during the four days of MunoM. Also, the alternative of host families enables students from foreign countries, which do not have the possibility of staying at a hotel, to take part in the conference.

Accommodating a guest student would be of mutual benefit, for not only do you give a young person the chance of exploring a new culture and environment, but you and your family also obtain an insight into different backgrounds.

If you are interested in providing accommodation for one or more guest students during MunoM 2008, please fill out the following form, which is to ensure that you are properly informed about a typical participant's needs in terms of attending the conference itself, as well as to enable us to match up guests and hosts according to some basic information, so that the visits are pleasant and enjoyable for both parties involved.

Depending on the format that you have received this document in, please fill out the form below and either return it to your child's MUN-Director at school, or send it back electronically to: headofaccommodation@munom.eu or kalin4itsa_de@hotmail.com

To fill the form out electronically, simply put a cross in the box next to the option you wish to choose. Some boxes require a number.

Participants of MunoM will require some means of transport to the centre of Munich (European Patent Office, Isargebäude and Forum am Deutschen Museum). The times for attendance are from 8:00 to approximately 17:00, though the latter time can vary depending on opening and closing ceremony times. The conference will be taking place from Tuesday 4th November to Friday 7th November 2008. All participants receive a MVV-Kongress ticket for 4 days.

Lunches will be provided for by the organisers of the conference. Please be prepared to serve breakfast and dinner. Please be tolerant within reason to nightlife-needs, primarily for older participants. Participants are invited to the MunoM party, which will be held at the Meinburk Club (Seidlstr. 15), on Thursday 6th November. All other necessary information, specifically arrival and departure times, will be issued to you once a participant has been allocated to you. We will contact you personally from there, so please indicate an email or telephone on the Accommodation Form.
